How Do We Distribute Your Flyers?

Street Intersection Flyer distribution:

Flyers are distributed at the most busy road intersections during peak periods.

School Drop:

Flyers are distributed at targeted schools to parents during the peak time of the school run

Windscreen Drop:

Flyers are placed on car windscreens at events and shopping centre parking lots.

Residential Letterbox / Door Drop:

Flyer are distributed directly to homes.

Commuter Rank Drop:

Flyers are distributed to all major commuter ranks targeting the mass, mid to lower income market.

Street Postering:

Posters are placed onto any medium that will maximise visibility ie street poles, walls, trees etc.
